Board Action: APPROVED

Effective Date: 8-20-15

The Board of Directors recognizes that parents/guardians may wish to organize clubs for the purpose of supporting the educational program and/or extracurricular programs such as athletic teams, debate teams, and musical groups. The Board of Directors supports such activities and welcomes parental interest and participation. Parent/guardian clubs shall be especially careful not to seek advantages for the activities they support if those advantages might be detrimental to the entire school program.

The Board of Directors requires parent/guardian clubs to have a written statement of purpose and bylaws. The Board of Directors recognizes that these organizations are independent of the school.

In order to protect the school and students, the Executive Director/Principal or Designee shall establish appropriate controls for the relationship between such organizations and the school.

Groups desiring to be recognized as school-connected organizations shall request authorization from the Board of Directors in accordance with conditions established in policy.
