

**TEMECULA VALLEY CHARTER SCHOOL
BOARD POLICY**

Section 3000 Business and Non Instructional Operations

3007 BIDS

Board Action: APPROVED

Effective Date: 11-2-2015

The school shall purchase equipment, supplies, and services using competitive bidding when required by law and in accordance with board policy. In those circumstances where the law or board policy does not require competitive bidding, the Board of Directors may request that a contract be competitively bid if the Board determines that it is in the best interest of the school to do so.

When the Board has determined that it is in the best interest of the school, the Board may piggyback onto the contract of another public agency or corporation to lease or purchase equipment or supplies to the extent authorized by law.

To ensure that good value is received for funds expended, specifications shall be carefully designed and shall describe in detail the quality, delivery, and service required.

To assist the school in determining whether bidders are responsible, the Board may require prequalification procedures as allowed by law and specified in procedures.
