

**TEMECULA VALLEY CHARTER SCHOOL
Board Policy**

Section 4000 Student Policies

4008 ADMISSION POLICY

Board Action: Approved

Effective Date: 4-11-2016

Temecula Valley Charter School will be nonsectarian in its programs, admissions policies and all other operations. Any student is able to apply for admission into the school and Temecula Valley Charter School will comply with all laws establishing minimum and maximum age for public school attendance in charter schools.

Admission philosophy and policies include the following:

- The school will be open to all students grades TK-8. TK age 5 on or before December 02.
- No student will be required to enroll in the school.
- No tuition will be charged by the school.

Parents/guardians must agree to the following:

- Attendance at an Informational Meeting is required prior to attendance.
- All required application and materials must be returned to the charter school in a timely manner (including immunization and health records).
- The student must uphold the conditions detailed in the Student Handbook.
- Both student and parent must complete a written contract with the charter school and agree to follow its rules and be committed to its goals, objectives and mission statement.

Temecula Valley Charter School has established an annual recruiting and admissions cycle, which runs from June through January. The month of April will be reserved for Lottery preparation as needed with the Lottery held the third Wednesday in April. The charter school will fill vacancies or openings that become available after this process through the use of a wait list established from the admissions lottery.

Selection/Lottery

If requests for admission exceed the number of positions available, admission priorities will be given in the following order:

- To continuing students.
- To siblings of continuing students.
- To students of the Temecula Valley Unified School District.
- All other students interested in enrolling

In the event that, after applying the foregoing admission priorities, there are more applicants than space available, a public random lottery will take place in the spring within the priority category that has exceeded the spaces available.
