TITLE IX OVERVIEW

Each student and employee has a right to learn and work in an environment that is free from unlawful discrimination. No Temecula Valley Charter School ("TVCS") student or employee shall be excluded from participation in, be denied the benefits of, or be subject to discrimination on the basis of actual or perceived sex, sexual orientation, gender, or gender identity or expression.

Title IX of the Educational Amendments of 1972 is one of several federal and state anti-discrimination laws that ensure equality in education. Title IX prohibits discrimination, harassment, exclusion, denial, limitation or separation based on sex or gender. Title IX applies to both male and female students in any educational institution receiving federal funding.

California Education Code Sections 200 through 282 and TVCS Policy prohibit discrimination on the basis of sex, sexual orientation or gender. Title IX requires that every school or institution have a Title IX Bullying Coordinator to whom concerns or complaints regarding sex discrimination can be made.

Complaint Process

- Students or parents/guardians should report their verbal or written Title IX complaint to the school administrator or Title IX Coordinator within six months from the date the incident occurred. This will begin the informal investigation process which must be completed within 60 days. Complainants have a right to a timely and informal resolution at the school site.
- If the complainant is dissatisfied with the school decision, an appeal of the findings may be made to the California Department of Education - Office of Equal Opportunity.
